

Electric Timer Rental Contract

Date of Event

Location of Event

K-9 Athletes hereby commits to provide two (2) complete rings of electronic timing equipment. A representative of K-9 Athletes will deliver, install, train and troubleshoot equipment during the event. The equipment will include electric eyes and controller for automatic start/finish, horn for game buzzer or maximum course time, as well as all required hardware and cabling to function. Two (2) battery packs to supply power to horns will be provided. In addition, one (1) ring will include a display board and stand.

The Club will provide electric outlet (120 Volts AC) and extension cords from outlet to location of scoreboard.

Equipment will not be shipped.

Fees for this service will be \$100 per day per ring.
